

Worship Team Code of Conduct

Mission:

With God's help, we will exalt Christ through our voices and instruments as well as our words, thoughts, and actions at church and in daily life. We stand on the truth of God's Word and are led and equipped by the Holy Spirit. We will prayerfully prepare, joyfully serve, and lead with excellence, humility, and boldness as we magnify Christ together through worship.

Commitment:

I am a believer in Christ Jesus and He is the Lord of my life and the object of my worship.

I am in agreement with the overall vision and statement of faith of this church, and I agree to honor those in leadership, including those who lead my respective area of service.

I will focus on Jesus and the essential issues of faith as the priority of my worship and service.

I believe God's Word is truth and align my life to it. I am committed to Bible study and application, prayer, and accountability, as well as refraining from such things as illegal drugs, pornography, sexual immorality, theft, gossip, etc.

I recognize that I am serving in an "up front" role and with God's help I will walk worthy of this calling (Eph.4:1-3), at church and in daily life, including online. Following Jesus' example, I will treat others with grace, kindness, respect, and compassion, including those who are hurting, different from me, sinful, or even opposed to my faith in Christ.

I am committed to building unity and being a peacemaker and team player. If I have a suggestion or concern, I will bring it up with kindness and respect. If an interpersonal conflict arises, I will follow the steps outlined in Matthew 18:15-20.

I will attend practices, arrive on time, practice at least once outside of rehearsal time, and come prepared with my music, instrument(s), a prayerful heart, and a flexible attitude. I will take my role seriously while exuding joy and encouraging those in the congregation to worship through my example.

I commit to serving on the worship team for the entirety of this year. If God calls me to serve in another capacity, to attend another church, to move, or step down for another reason, I will do my very best to give the worship leader thirty days' notice.
